NEWSLETTER TERM 2 WEEK 10

Every student matters! Every moment counts!

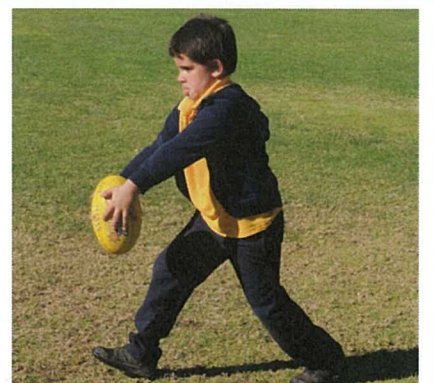

Well, time surely does fly. We are heading into the mid-year holidays at the end of the week. Dismissal will be an hour earlier than usual at 2.05pm. Working at Moama PS has been very challenging but also very rewarding. I am certainly looking forward to the break and will return refreshed and ready to go next Term. Hopefully you all get to spend some quality time with your children over the next couple of weeks. Take the time to discuss their progress at school but also importantly take the time to enjoy their company. Enjoy the holidays!!

SMART Spelling

Early last week all of the staff completed some professional development on a new approach to teaching spelling. This is known as SMART spelling. The approach teaches the students in an explicit way to analyse their spelling words and to identify letter sounds. It gives the students a prescribed scope and sequence as well as a consistent school wide language. They learn about graphs, digraphs and trigraphs and analyse each of their spelling words. The approach is used extensively in Victoria and has been proven that it works. I am looking forward to looking at our results after we have implemented it here.

AFL Visit

Last Wednesday, June 19 Jy Simpkin from the North Melbourne Football Club visited our school. Jy is a talented midfielder for the Roos who totally engaged all of our students. His infectious personality and enthusiasm certainly won over all of our students. We were very lucky to have a visit from such an engaging and committed professional.

Police Visit

Last Wednesday, June 19 Senior Constable Paul Ebsworth from the Deniliquin branch of the NSW police force came and spoke to the year 5 and 6 boys. His message was to respect your elders, follow instructions and ensure that they conform to society's laws and expectations. He was very blunt with his message which was exactly what we were after.

"Moama's Got Talent"

Throughout the past week we have been busy watching and listening to the qualifying rounds of our competition. The talent on display was fantastic. We now move onto the final of "Moama's Got Talent" this Friday. The competition will occur at approximately 12.15pm followed by a Junior School Council versus teachers' netball game.

Permission Slips

We still have a number of outstanding permission slips that have not been returned for next Term's activities. Can you please ensure you locate these, sign them and return them back to school as soon as possible.
