PRINCIPAL'S REPORT

NEWSLETTER TERM 3 WEEK 6

Every student matters! Every moment counts!

Camp Kookaburra

Last week the Year 3 and 4 students headed off to Camp Kookaburra in Corop with Jenny, Ms Campbell, Ms Hudson, Ms Camin and myself. The students absolutely loved the activities throughout the two days. Some of my highlights were the students behaviour all round as well as them going out of their comfort zone and trying new things. The smiles on their faces after completing the flying fox and indoor climbing wall were a sight to behold. I am pretty sure that they would have arrived home tired but with plenty of stories to tell.

Deniliquin Athletics

Last week we sent a large contingent of athletes up to Deniliquin to participate in the athletics carnival. Many of our students achieved personal best times and/or distances in their events. The students all enjoyed the day which was fantastic. The weather was fine which was definitely a bonus as we were worried for weeks that it would spoil the event and cause another postponement which would have then created a logistical nightmare as the back up day clashed with the Year 3/4 camp.

Congratulations go to Raudan Bray, Ryder McKeown, Jazz Warde, James Mason, Oska MacFarlane, Leni Bringans, Yalarnnah Bux, Hayley Irving and the Junior Boys Relay team who have all made it to the next level of competition. These students will receive correspondence from Ms Camin regarding the Albury event.

NEWSLETTER TERM 3 WEEK 6

Book Week Parade

This morning we held our annual book parade. It was great to see so many people dressed up supporting this event. The amount of time and effort families go to astounds me when it comes to dressing up. Thanks so much to all of the parents and carers for supporting this event and to the students for demonstrating a fun loving attitude. More photos are included in today's newsletter.

Congratulations to our costume winners— Zoe Harman Preschool, Sorayah Roberts KC, Beau Simes 1A, Rohan Stringer 2c, Mia Hipwell 3/4C, Indie Edgar and Lylani Roberts 3/4H, Lily Hendrick 5/6MP and Rhys Drennan 5/6D. Great effort kids!

Junior School Council

Last week Ms Camin and I held our first Junior School Council event for Semester Two. In this meeting we welcomed the new members of the council then discussed events for the remainder of the year. The JSC will assist with the School Disco which will be run on Thursday, September 12. The disco has an army theme this year. They will also be running a "Footy Colours" day on the last day of our Term—Friday, September 20.

Infant Kyabram Fauna Park Excursion

Last Wednesday our very excited Preschool and K-2 students travelled to Kyabram for an excursion at the Fauna Park as part of their 'Living Things' Science unit. The children had a fantastic time, enjoying a trail through the park and special up-close encounters with koalas and reptiles and feeding kangaroos.

The children are congratulated for their excellent behaviour. It was a great day!

Discover Dairy Picasso Cow

"Moozerella" is complete!! And doesn't she look beautiful? Congratulations to all students involved in painting the cow and a massive thank you to Jenny and Melissa for all of your hard work. Our project has been submitted and is awaiting judging.

The project involved interactive lessons on dairy paddock to plate (and an extra special lesson from Dominic, James and Lukas!), researching and learning about cows, collaboratively designing plans and then painting it. Finally we submitted a journal with annotated photographs of the process.

We look forward to hearing how we went!

Health Alert—Meningococcal Awareness

NSW Health are urging everyone to be alert to the symptoms of Meningococcal disease and below symptoms and information to be aware of :

This disease is caused by a bacterial infection that can lead to serious illness if not recognised and treated in time. While anyone can contract meningococcal disease, infection rates are higher in children aged 0-4 years and young people aged 15-24 years.

Symptoms they mention include :

- * Sudden onset of fever
- * Headache
- * Neck stiffness
- * Joint pain
- * Dislike of bright lights
- * Nausea
- * Vomiting
- * Irritability
- * Rash of red-purple spots or bruises that doesn't disappear when pressure is applied.
(A rash does not always appear or it may occur late in the disease).

Some or all of these symptoms may appear and can mimic other common illnesses.

Symptoms usually occur suddenly and can get worse quickly, so it's important to seek urgent medical treatment.

Vaccination is the best way to prevent the spread. The NSW School vaccination program provides free vaccination against meningococcal disease for Year 10 students in 2019. Students aged 15-16 can access free vaccine from their GP.

Act fast and seek medical advice quickly.

People infected with meningococcal disease can become extremely unwell very quickly. People who could have meningococcal disease should seek urgent medical advice.

Further information is available at www.health.nsw.gov.au/infectious/meningococcal

Enrolments are open for 2020
