The school is seeking feedback from our parents and carers. Therefore we have created a survey to complete online. The results of the survey are all anonymous and confidential and are used to assist with future planning. To complete the survey you type in the following web address <http://nsw.tellthemfromme.com/moama2731> and then follow the prompts. It would be greatly appreciated if you take the time and effort to complete this.

#### **Father's Day Breakfast**

Last Friday we hosted our annual Father's day breakfast. The morning was a resounding success with a large amount of families present. Unfortunately I was away on the day but I would like to personally thank the P & C and our staff for putting in the work to make the morning happen. I hope all of the dad's out there had a great day last Sunday with their loved ones.

#### **Regional Athletics in Albury Day**

A number of families travelled to Albury last week as we had some student's participate in the athletics. By all reports all of the student's performed very well and importantly they all had fun. Congratulations to Yalarnnah Bux, Hayley Irving, Leni Bringans, Raudan Bray, James Mason, Jazz Warde and Ashley Hay. We are proud of your efforts.

#### **Infant Swimming**

This week is the last week of the Infant swimming program. The students have been terrific in all lessons and are showing constant improvement with their water safety skills. The staff at the YMCA pool are very pleased with everyone's progress. Great work!

**Reminder**— parents and carers please note that students are not to be on the school grounds earlier than 8:35am as staff will not be available to watch over them.

# INFANT DENTAL VISIT

KC, 1A and 2C were fortunate to have a visit from the Deniliquin Community Health Dental Service last week. This visit complemented our Term 2 Dental Health unit.

Prue and Libby talked to the children about all aspects of dental health. The children particularly enjoyed the hands-on approach to the lesson. They were able to brush away the germs on a laminated set of teeth, floss the germs from between the gaps of large duplo blocks and dress up as a dental assistant.

Prue and Libby recommended that all students should have regular six monthly dental check-ups. **Deniliquin Community Health Dental** offer a free service and can be contacted on **1800 450046** or **03 5882 2990**.

## The simplest way

... to save time in the morning.

With some simple preparation at a time that suits you, you can save a lot of stress in the morning.

Try these tips to pack healthy foods quickly:

- Buy snack sized veg that don't require cutting e.g. cherry tomatoes, baby cucumbers and snow peas
- Keep some shelf stable items like beans and milk in the pantry
- Make and pre-pack individual serves of healthy snack mixes such as [poppletana](http://poppletana.com).
- Get in to the habit of cooking extra for dinner and packing leftovers for lunch.
- Spend some time on the weekend preparing freezer-friendly lunch box items such as fruit or [vegie muffins](http://vegie muffins.com).
- Allocate a drawer or area of the kitchen where lunch boxes and containers are kept, making them handy to find come packing time.
